

Calling Members! Special IMCAS 20th Anniversary Annual World Congress 2018!

On this very significant occasion, IMCAS invites you to join them in Paris, France from the 1st to 3rd February 2018 for this once-in-a-lifetime special 20th Anniversary edition of IMCAS Annual World Congress.

This year promises to be IMCAS's most impressive Annual world Congress to date. Thousands of delegates from around the world will be seizing this exceptional opportunity to explore the hottest topics related to the medical aesthetic field.

The rich three-day program covers all angles from the ever-famous Anatomy on Cadaver Workshop, full sessions exploring themes in aesthetic science, innovated technical procedures, cutting edge products and devices, and so much more!

The highest quality of aesthetic science together with an extraordinary environment, what is a better place to experience all of this other than the "City of Light" Paris?
